

School Improvement Plan – Summary of Priorities

Priority	Description
1.	<p><i>Improve attainment and progress in mathematics across all phases of the school.</i></p> <ul style="list-style-type: none"> ▪ Develop a ‘differentiated input’ approach to the teaching of mathematics that addresses the needs of all pupils. ▪ Weekly basic skills maths tests and high quality follow-up teaching ensuring all pupils develop a deeper understanding of key mathematical concepts.
2.	<p><i>Raise attainment in reading and writing across school.</i></p> <ul style="list-style-type: none"> ▪ Consistent approaches to guided reading and writing. ▪ Introduce blogging to motivate pupils to write to a higher standard and to offer pupils a real audience.
3.	<p><i>Improve the provision and outcomes for pupils with SEND (Special Educational Needs & Disability).</i></p> <ul style="list-style-type: none"> ▪ To fully implement the new Code of Practice for SEND and communicate the local SEND offer to all parents and carers. ▪ Ensure high quality support is in place for all pupils on the school’s SEND register.
4.	<p><i>Improve the effectiveness of the Governing Body.</i></p> <ul style="list-style-type: none"> ▪ Ensure that Governors are well-informed about all aspects of school life, especially academic achievement. ▪ Effectively challenge and support senior leaders in school, especially in English and mathematics.
