

School Ethos and Aims

Mab's Cross Primary School's aims, policies and practices are designed to create a learning community where everyone can experience success. Our school is a place where everyone develops and achieves the best they can, both academically and personally.

This is represented by our School Motto

“Bringing out the best in everyone.”

We believe that all members of our school community have the right to work and learn in an environment where children:

- become confident, resourceful, enquiring and independent learners
- develop self-esteem and build positive relationships with others
- develop children's self-respect, encourage them to understand the ideas, attitudes and values of others, and teach them to respect other people's feelings
- show respect for a diverse range of cultures and, in so doing, promote positive attitudes towards others
- understand their community, and help them feel valued as part of it
- grow into reliable, independent and positive citizens

Education is a responsibility shared between parents, children and school staff. We encourage parents/carers to work in partnership with the school and community. Our school has a pivotal role in the community.

Mission Statement and Aims:

“Within a safe, caring, and creative school environment where learning is fun, we aim to inspire all our children to think for themselves, to be ready for life's challenges and opportunities and to be active citizens in a global society”

To achieve our aim we shall:

- Encourage the quest for knowledge and develop our children academically, physically, socially and spiritually
- Give our children the opportunities to become logical, critical and reflective thinkers
- Prepare our children to be independent, responsible, tolerant and self - sufficient members of society
- Value each child's individuality and his/her individual needs
- Develop self - esteem and creativity and encourage respect for others and the environment
- Maintain interaction with the local community, encouraging its involvement with our school and celebrating its history and rich diversity
