

# Imaginative Learning Journey

## Bounce

### TOPIC OVERVIEW

Throw it, catch it, roll it, bounce it! BOING, BOING, BOING! Up and down and side to side, can you catch the bouncing ball?

Can you bounce too? Jump like a horse, leap like a frog or kick like a kangaroo! How many bounces can you do?

Design a game, bouncy or otherwise! Then write instructions for someone else to play it. Are the instructions clear enough? Can the players follow them? Who will score highest?

Then let's create Sporting Challenge Day for parents and carers...Can they hit it, roll it, roll it, win it?

Now let's relax...breathe deeply and stretch those tired muscles. Yawn....All that bouncing must be making you tired!
